FULL-STACK DEVELOPER

PROFESSIONAL PROFILE

I am currently looking for a career with an organization where I can use the excellent talents I've gained via my previous education, training, and experience. I'm looking for present possibilities as well as ones that may occur in the near future.

WORK EXPERIENCE

Internship

Abdul Aziz Al Ghurair School of Advanced Computing (ASAC)

Apr 2022 - Present

I developed and improved my skills in problem-solving, HTML, JavaScript, CSS, Node JS, and React JS all through the intense course of six months.

SKILLS

Technical skills: JavaScript, HTML, CSS, React JS, Node JS, Git & GitHub

Soft Skills: Adaptability, Motivation, Teamwork, Organization, Problem Solving, Critical Thinking, Time Management, Communication Skills

Projects

iPhone Checker

A website that will help users to check their mobile devices using IMEI/Serial
